WHY FLUX

Reduce Risk of Downtime

“Promise to ship” program leverages Flux’s lean manufacturing and just-in-time (JIT) expertise to ensure that on-time delivery is met. Flux manages to 70% capacity to accommodate unplanned orders, scaling quickly through our variable model.

Global Reach

“Quick-Ship” offers stocking programs through distribution. This helps mitigate possible supply interruptions for customers with multiple locations.

Optimize Labour

“Ready Services” reduces non-productive labour through customized kitting solutions that allow customers to focus on their core competencies.
